## Important Message!

We are encouraging you to purchase Renters Insurance to protect your family from unexpected expenses.

Last year there were two resident caused fires in HRHA communities. Unfortunately, neither families had Renters Insurance. Due to not having renter's insurance, each family has to pay HRHA's insurance deductible of \$5,000. If the families would have had insurance, their insurance coverage would have paid for the \$5,000 and provided money to repurchase their personal belongings.

Renters Insurance doesn't cost much per month. It runs just about the cost of meal at McDonald's, Taco Bell, or Hardees.

Below are two local Renter's Insurance providers and provider option that allows you to easily purchase insurance through an app.

1. Lemonade - affordable renter's insurance app (app is free to download on iOS and Android), available in Virginia – <https://www.lemonade.com/faq#service>
2. Mercury A-1 Insurance (Hopewell Location)
